

**Pakistan Council of Scientific & Industrial Research**  
**Institute of Industrial Electronics Engineering**  
Time Table (Tentative) for **Spring Semester – 2020 (On Line, Live Session) B.E Industrial Electronics Engineering**

Time	Monday	Tuesday	Wednesday	Thursday	Friday
09:00 09:40					
09:50 10:30				Object Oriented Programing (Live Session)	Industrial Instrumentation System (Live Session)
10:40 11:20		Engg: Economics & Management (Live Session)	Entrepreneurship (Live Session)	Organizational Behavior (Live Session)	Islamic Studies (Live Session)
11:30 12:10	Electrical Machines – I (Live Session)	Digital Logic Design (Live Session)	Linear Algebra (Live Session)	Circuit Analysis – II (Live Session)	Ethical Behaviour (Live Session)
12:20 13:00	Power Electronics (Live Session)	Communication Systems (Live Session)	Feedback Control Systems (Live Session)	Probability & Statistics (Live Session)	Instrumentation & Measurements (Live Session)
13:10 13:30					
13:30 14:10	Differential Equations (Live Session)	Introduction to Computer & Programming / Circuit Analysis-I (Repeaters only) (Live Session)	Basic Electronics (Live Session)	Communication Skills (Live Session)	
14:20 15:00					
15:10 15:50					

Live Session Comprises 40 Minutes. (■ 2<sup>nd</sup> Semester, ■ 4<sup>th</sup> Semester, ■ 6<sup>th</sup> Semester & ■ 8<sup>th</sup> Semester).

Engr. Anjum Darakhshan  
Vice Principal, IIEE

Engr. Dr. Farah Haroon  
Principal, IIEE
